Surf and Turf

UNLOCK THE ULTIMATE CALIFORNIA EXPERIENCE

Catch waves in the A.M. and make Birdies in the P.M.

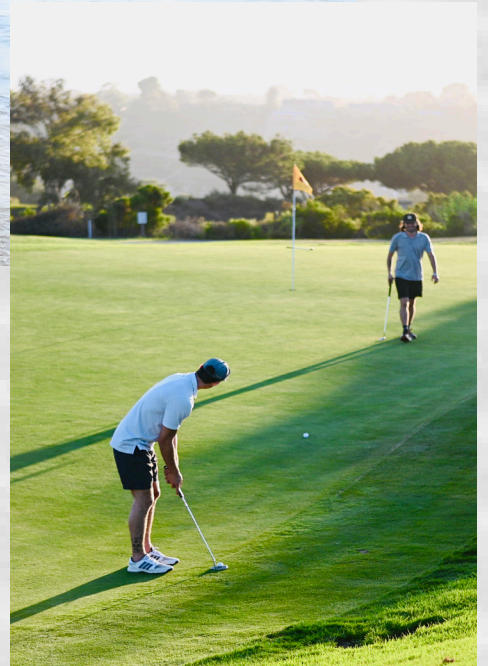

Gather your foursome and join us for a 3-night all-inclusive weekend to live the California dream; surf in the AM, golf in the PM.

Each morning will start with a surf guiding session or beginner surf lesson, depending on each guest's skill level. Then, we will head back to Surfhouse, change into golf gear, and head to the course.

On Friday, we will go to Goat Hill Park, a world class/working class course. This par 65 course has been rehabbed by John Ashworth and his Linksoul co-founder Geoff Cunningham. This course is the definition of casual golf with no dress code, dog friendly grounds, and an amazing, laid back community. We will join their "Mandatory Golf Friday Skins Game" for 18 holes and drink a post round beer at the fire pit while we wait to see if anyone wins big.

On Saturday, we will head to the Surfhouse team's local course, Encinitas Ranch Golf Course. This par 72 championship course, located just 5 minutes from the hotel, boasts ocean views from most holes and has a course layout that is approachable no matter your skill level.

Outside of the water and off the course, you can expect the full Encinitas local experience that Surfhouse is famous for. You will eat at some of the best restaurants that Encinitas has to offer, and enjoy the sunset each night with your drink of choice.
